In 2022 I will be:

1. Definitely Leaving _____ 2. Probably leaving _____
3. Probably Returning _____ 4. Definitely Returning _____

If you have ticked No.1 above no further information is needed. Get your parent/guardian to sign the form and return the form to your dean now.

Options Available

All year 10 students study– English, Mathematics, Science, Social Studies, and Health. All other subjects are **optional** and students choose **three** which are studied for two periods a week for one semester (2 terms). See the course booklet for more information.

It is strongly recommended that Year 10 students have a balanced programme across most curriculum areas which could include taking some Arts (Art, Drama or Music) and/ or Technology (Metal, Wood, Digital, etc.) options.

NB. Languages - Japanese and Te Reo Maori must be studied for a whole year (both semesters)

Physical Education is not a compulsory subject in year 10. If you want PE on your timetable you will need to choose it.
