Options Available

All year 9 students are involved in a Hurumanu grouping, studying a combination of English, Maths, Science, Social Studies, Health and Physical Education.

It is strongly recommended that Year 9 students have a balanced programme across most curriculum areas which could include taking some Arts (Art, Drama or Music) and/ or Technology (Metal, Wood, Digital, etc.) options.

NB. Languages - Japanese and Te Reo Maori must be studied for a whole year (both semesters)
